

A decorative border of watercolor flowers in various colors (red, pink, blue, orange, yellow) surrounds the central text.

# CHETNOLE FLOWER SHOW

We're delighted to be bringing you our 73<sup>rd</sup> annual show on 1<sup>st</sup> Aug. It will be different. We want to ensure it is safe for you to enjoy the event.

The flower show will continue but we won't have our usual fete element. Instead we encourage you to bring a picnic fit for VE Day. More than ever we are keen to support local charities so rather than an entry fee, we'll be asking for donations. We're determined to bring the village together, so please keep growing, cooking and making in preparation for the Flower Show.

The COVID status is ever changing, so we'll keep you updated via Facebook & the e-Diary
