At the time of going to press, we do not know whether we will be able to hold the Flower Show in its usual format due to the Coronavirus.

During these difficult times, many of you may well be spending even more time gardening, growing, creating, baking, etc., and we would like your efforts to be celebrated and recognised.

Consequently, it is the Committee's intention to continue with the show. However, in the event that we still have to adhere to social distancing we may need to adapt the show to meet the circumstances
