

Consultation document ref: SMP/040/19, dated 10th June 2019

PROPOSED TEMPORARY CLOSURE OF BATCOMBE LANE, CHETNOLE

I have received an application from Wessex Water to close BATCOMBE LANE, CHETNOLE from its junction with Station road to St Peters Church, a distance of approximately 560 metres. The closure has been requested to allow Wessex Water to replace an ageing water main through Chetnole. These works are programmed to commence from 19 August 2019 until 20 September 2019.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 22 July 2019.
